PRAYER

- Please pray for Kathy Paul's sister Joan who has stage 4 cancer. Her insurance has declined the oral chemo pill the doctor recommended. She has appealed their decision, and was declined. Pray that God opens new doors before it's too late. Also please pray for her salvation.
- Please pray for Phyllis Langston-Glazier. She discovered that she suffered a mild heart attack recently. Pray for wisdom for her doctors as she has additional tests run.
- Please pray for continued healing for Todd Johnson, Kay's father Andrew, and her brother Chris.
- Please keep Pat McLeod in prayer. She has another procedure trying to determine where in her back the pain is coming from in April. She is not clear on the details. Pray for wisdom and success.
- Please continue to pray for Jan Dana. She received steroid injections into her back to hopefully alleviate the pain. Her doctors are trying to avoid surgery, saving it as a last resort. She had a port put in because of the number of transfusions she has been receiving. She appreciates all of the prayers.
- Please keep Teri Hoffman lifted in prayer as she returns back to work and is not functioning at full strength yet after her battle with cancer.
- Please pray for the Lord's grace for Blanche Young, Velma Phillips, Vi Wakeman, and John McClain, and also keep their families in prayer.
